

DADDY DEAREST!

We have all heard, read, said tales about Mom. She knows her baby even before its born, but Dad has a part in the baby growing within her. If Mom brings us into existence, Dads teach us how to exist. Our narratives about Dad begin much later. In traditional Indian families, a Dad is a provider and protector. A Dad is a son's first hero and a daughter's first love. He is calm even in the thick of a stormy night, in the face of all dangers and crisis...but beneath that calm exterior lays an ocean of love that rarely surfaces.

JAY VASAVADA PROLIFIC SPEAKER, COLUMNIST & AUTHOR PAYS A TRIBUTE TO ALL DADS

And invites you to a delightful interaction to shed light on DAD & HIS MARVELS.
